**THE GATE OF THE YEAR - 'God Knows' by Minnie Louise Haskins**

And I said to the man who stood at the gate of the year:

"Give me a light that I may tread safely into the unknown." And he replied:

"Go out into the darkness and put your hand into the Hand of God.

That shall be to you better than light and safer than a known way."

So I went forth, and finding the Hand of God, trod gladly into the night.

And He led me towards the hills and the breaking of day in the lone East.

**THE HOLY FAMILY OF JESUS, MARY & JOSEPH (B) 31 December 2017**

**Dear Parishioners,**

"The child, Jesus, grew to maturity and God's favour was with him" (Luke 2:22-40). On the Sunday after celebrating at Christmas the birth of Jesus, we celebrate the feast of the Holy Family of Jesus, Mary and Joseph. Life changes for a couple when their child is born and there is a new triangle of relationship. We see this in the life of Mary and Joseph and how their life, work and thinking centred on the child Jesus. They bring their child to the Temple to present him to the Lord and they make a sacrifice to God to receive him back into their care. They flee into Egypt when the life of their child is in danger from the megalomaniac king, Herod. When it is safe, they return to their home in Nazareth, where they bring up their child in the knowledge and love of God. When he was twelve years old their child was lost and missing for three days, spending it the temple with the doctors and learned men.

Though these things happened 2.000 years ago, they are the experiences of many parents in our own time. There great joys and worries for parents who, like Mary and Joseph, love and treasure their children. Nowadays, various communications media present new and unexpected dangers for children, often robbing them of the innocence and simplicity of childhood. Yet the model for families shown by the love, care and relationships in the Holy Family is still valid today. Parents being united, even in great difficulties, and striving to do what is right and best for their children follow the example of Mary and Joseph. Parents listening to the Word of God, acting on it, praying with and for their children are following their example. Shakespeare showed a father praying a blessing on his son - which comes straight from the Bible. Mothers with a natural love for their children, reflect God's love for every child. Each of us is made with the same humanity and divine nature that was given to Jesus. Today we see him as the centre of love in the Holy Family, and he calls us and the whole human family "to love one another as I have loved you".

We thank everyone who helped with the celebrations for Advent and Christmas in our parish. I am especially grateful for the very generous Christmas offerings, and the many Christmas greetings, gifts, and prayerful support over the past year.

**May God bless you and your families with a very happy New Year. Fr John**
